(Queen St. E & Leslie)

### **Cost**

Cost of the shuttle is \$75 each way, per dog.

### **Drop off and pick up times at either of the shuttle locations:**

Drop off is in the morning, between 8am-9:30am.

Pick up is in the afternoon, between 4pm-6pm.

## **To schedule shuttle service for your dog(s):**

After booking your dog(s) in to camp online through our web site's booking system, please email your shuttle request to our office at:

[gta@dogsatcamp.com](mailto:gta@dogsatcamp.com)

In that email, let us know that you have booked online, and that you are requesting shuttle service. We will need to know:

1. The arrival and departure dates of your dog's booking. (Remember that the shuttle runs only on Monday, Wednesday, and Friday).
2. The shuttle location you wish to use.

Once we receive your email, we will contact the shuttle service to provide them with your request. As space is limited on the shuttle, we need to get confirmation first, and once we receive that, we'll confirm with you. You will receive confirmation within 24 hours of your request.

## **What to bring?**

When you drop off at one of the shuttle locations, please ensure that you bring your dog's leash, food, and our Dogs at Camp forms ([https://www.dogsatcamp.com/forms/dac\\_forms.pdf](https://www.dogsatcamp.com/forms/dac_forms.pdf)).

**We look forward to having your dog(s) with us at camp!**
